## Gold Wing Road Riders Association (GWRRRA) AR-F ---Fort Smith Chapter

Gold Wing Road Riders Association [GWRRRA], founded in 1977, is recognized as the world's largest single-marquee motorcycle association in the world. GWRRRA provides safety, technical, and educational services to its Members world-wide.

Dedicated to our Motto; Friends for Fun, Safety and Knowledge, GWRRRA Members enjoy the freedom of belonging to a not-for-profit, non-religious and non-political organization.

A group of Motorcycle Enthusiasts who love riding came together to form a new Gold Wing Chapter in Fort Smith, Arkansas. Chapter F was chartered in August 2012. We have continued to grow steadily, with new members joining or current members moving to the area.

Because we are a Not-for-profit Organization, we would like to encourage you to help support your community by sponsoring your local GWRRRA chapter.
